

The Question of Gender

Which story of Art...
Hisor Hers?

A two part lecture focusing on gender issues in Western Art. Begins with an historical survey of female artists from the Middle Ages and the Renaissance through to the 21st Century. The achievements (social and artistic) of representative artists such as Gentileschi, Vigee-Lebrun, Morisot, Kahlo etc are considered. The second part surveys images of the male and female form across the centuries. Discusses the appearance, purposes and meanings of the figure in ancient civilisations, the Christian and secular societies of subsequent centuries and the present day.
