

The Dance 1909

Henri Matisse

1869-1954

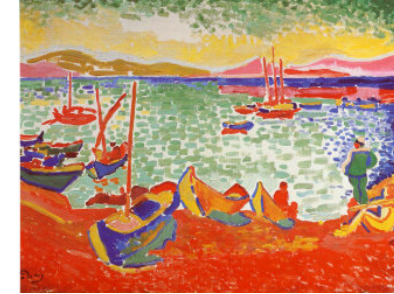

Survey of the life, work and achievement of the French artist, Henri Matisse. Follows Matisse's career from his early exploration of Impressionist and Post Impressionist possibilities through the Fauvist years and his brush with Picasso's Cubism, the lyrical nudes and still lives of his middle period to the ambitious design projects and *gouaches decoupees* of his final years. Key examples of Matisse's oeuvre are discussed and extracts from his writings on art are also considered.
