

## The Stalin Years

Political and cultural summary of the Lenin era followed by an introduction to Stalin and a detailed study of his years in power. The 5 Year Plans, growth of industry, collectivization, Stakhanov, Socialist Realism, urbanization, women in the workforce, the Writers Union, the “Soviet Utopia”, doctored photographs & rewriting history, trials and purges, the Stalin Cult, the Great Patriotic War, Generalissimo Stalin, composers and writers under the regime, the Gulags etc. Posters, paintings, photographs and musical examples are liberally employed to illustrate the lecture and stimulate discussion.

The conservative approach -  
Art as documentary record

*A Soviet court - Kutaks on trial*

**AKhRR**

Association of Artists  
of Revolutionary Russia  
Founded 1922

*We will provide a true picture of events...  
We will depict the present day: the life of the  
Red Army, the workers, the peasants, the  
revolutionaries, and the heroes of labour*

*Transport is being laid*

*Kalyazin Lace-makers*
