

## Bertolt Brecht

1898 - 1956

*Brecht is the key figure of our time, and all theatre work today at some point starts or returns to his statements and achievements* Peter Brook

## SAMPLE SLIDES

Introduction to the life and work of the influential German playwright, theatre director, theorist and poet, Bertolt Brecht. Considers the three phases of Brecht's life in relation to the volatile political and social landscape of the mid 20th Century and traces the development of his work for the theatre. A close study of Brecht's theatrical sources, theories and practical innovations is provided, with particular reference to selected stage works, scenes and productions.

70 Slides, Audio & Video 2 x 75 Minute sessions
