● "Hi! You up there . . . get out of my strings. Say! haven't we met somewhere before?" Paul McCartney strikes a wrong note and has to admit it's his own fault.

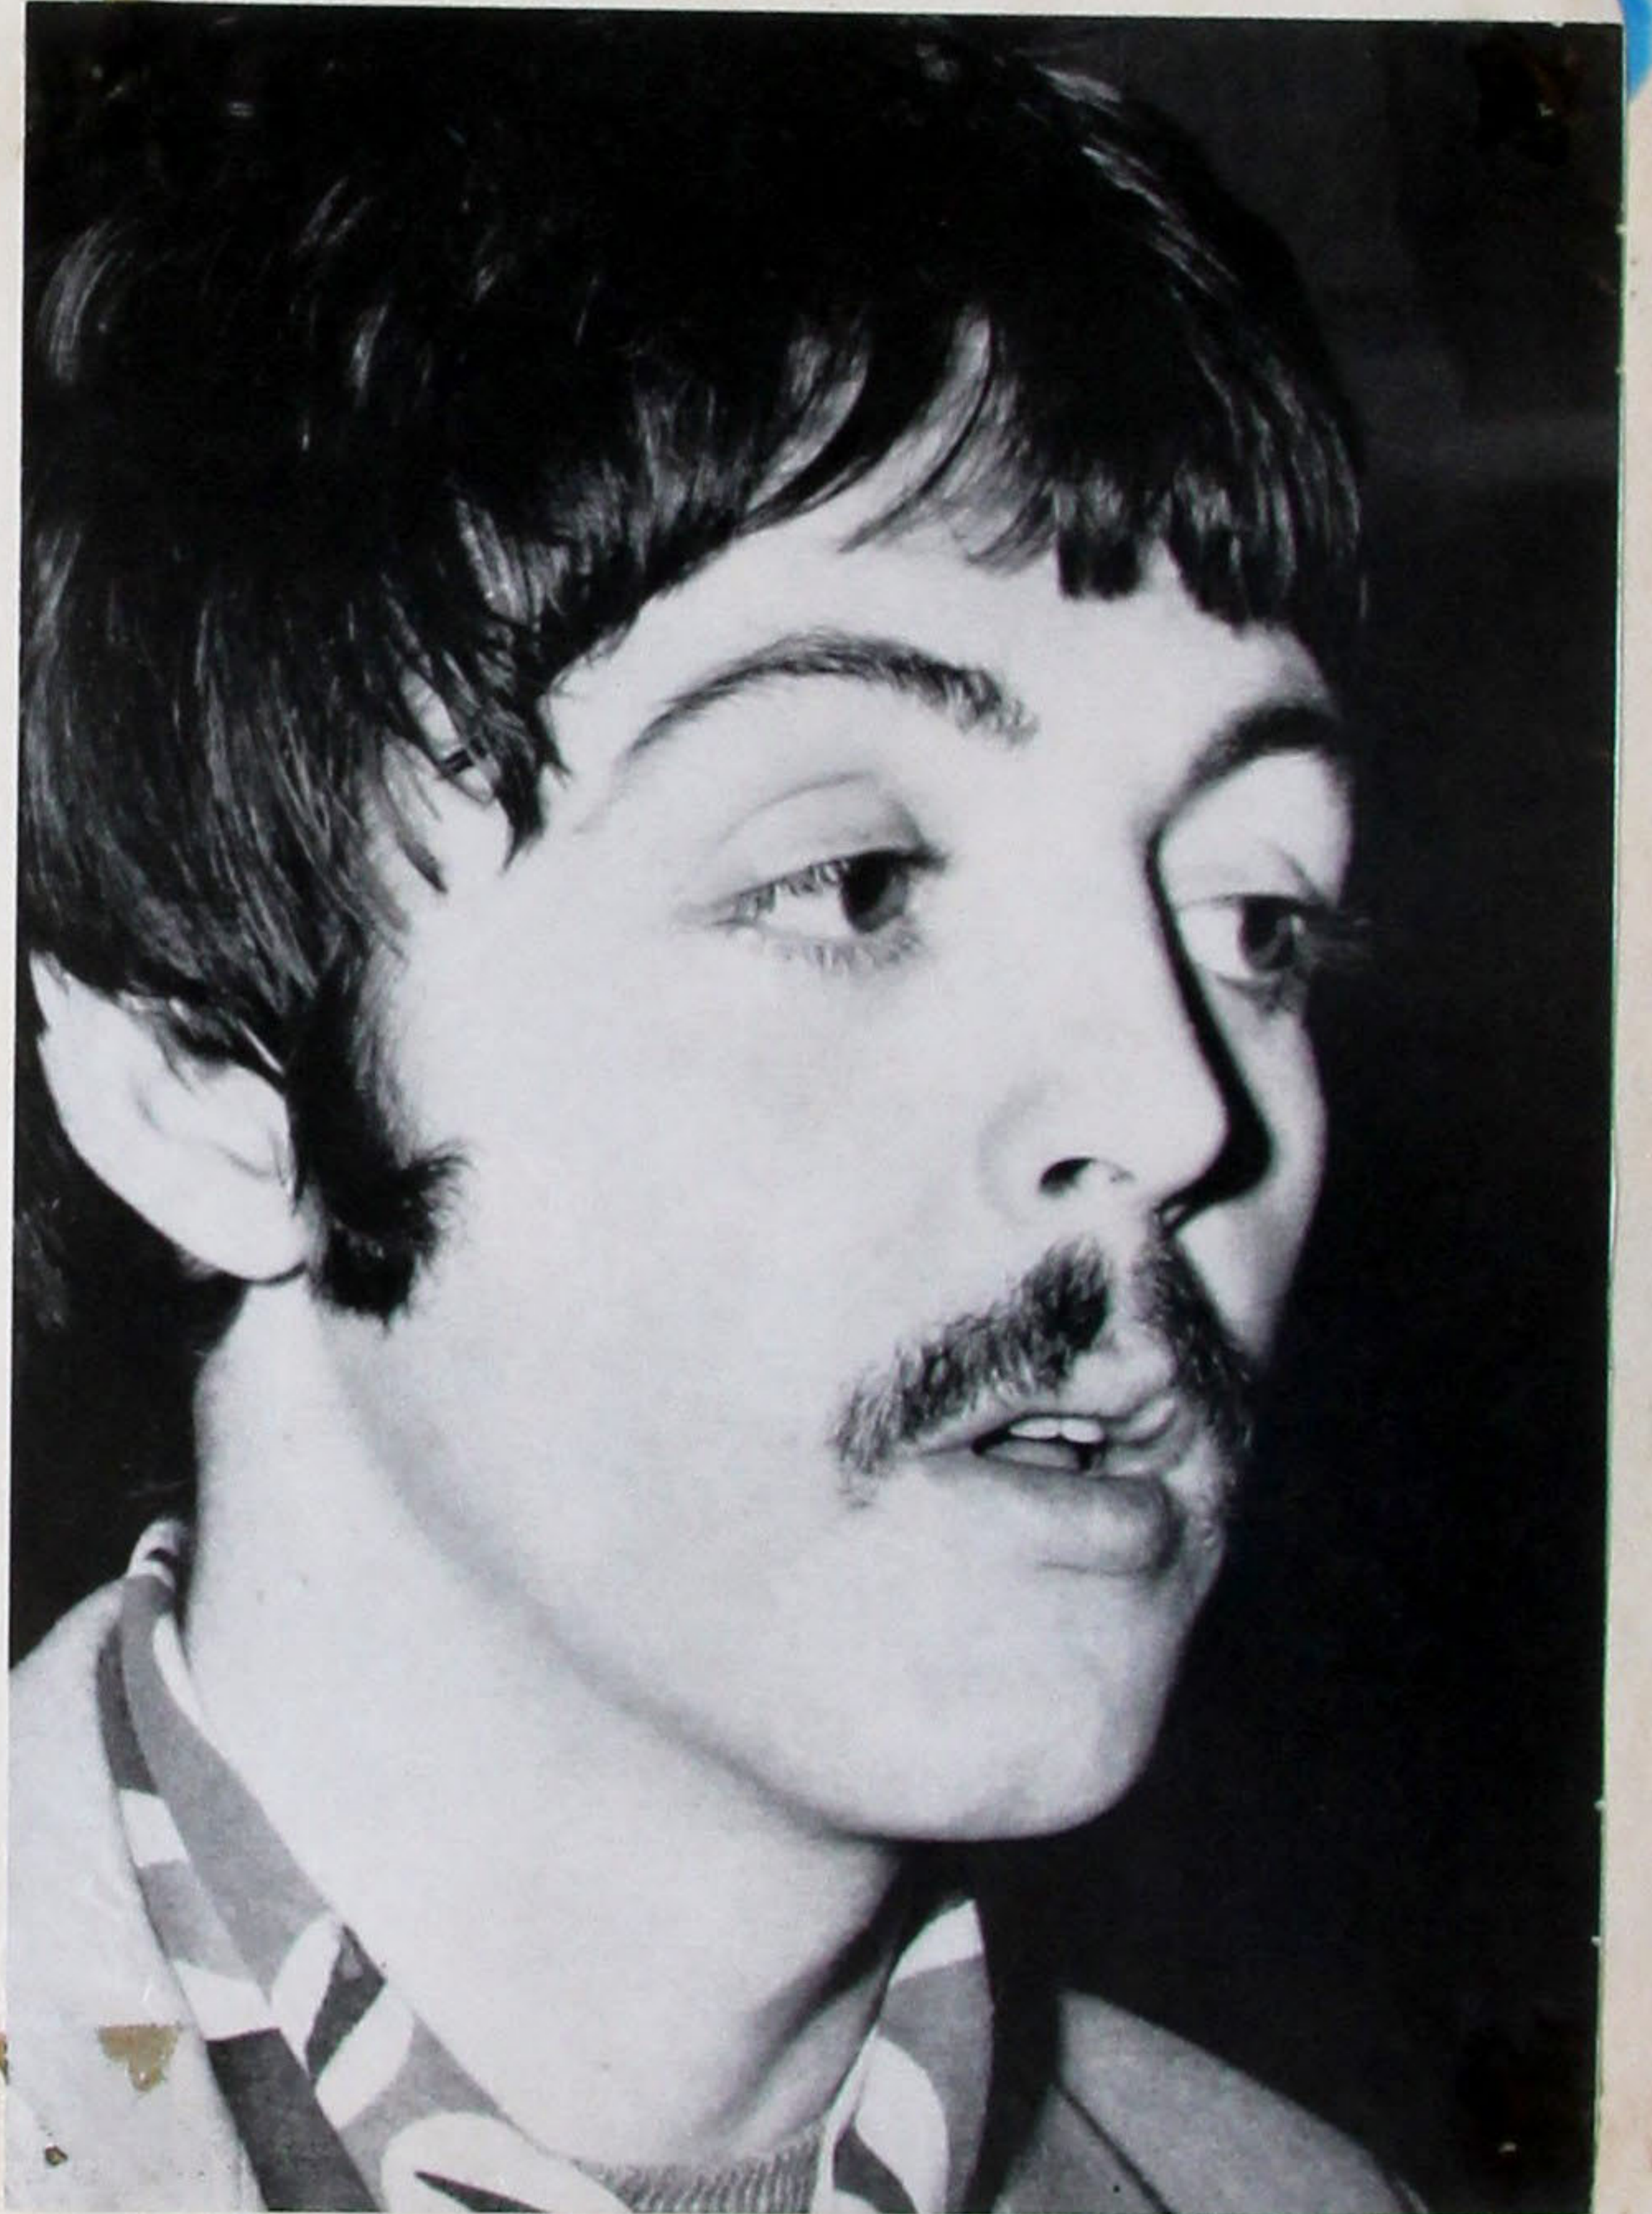

● "Right, we're ready, what are we waiting for?" The four of them tend to get a little impatient if they are held up when they are rarin' to go.

● "Well, what do you think?" It's all very well being a genius, but the other geniuses have to agree, and that's where the trouble starts.
